Re Sravanabelagola - bastes & Chatrams

There are a large number of Bastes or shrines considered sacred by Jains and the approaches to some of these are through narrow tortuous lanes difficult of access by motor cars

The town is growing in importance and a number of new buildings have sprung up recently near the entrance while a new Chatram is being constructed on a site which is considered very unsuitable as it stands on sloping rock & with unsanitary surroundings

It is therefore necessary to prepare a comprehensive Town planning scheme indicating improvements in the alignment of straggling lanes & by lanes or for opening out crowded areas & for extensions to the Town showing sites that have to be reserved for the construction of Chatrams or other public charitable Institutions in this growing ~~important~~ pilgrimage town of All India importance

State that the laying out of the Park and the reconstruction of the bath ghat may be taken up last, that the whole scheme may be worked out in steps & repeats orders of Govt on his letter dated 17-8-1937

The Director of Health has submitted a scheme of improvements to the Sravanabelagola Town, spread over a period of 5 years the details of the said works are as follows —

1 Providing a circle of 70' diameter with dwarf parapet and gate pillars — Rs 392/-

2 Providing curb stone flooring for footpaths — Rs 145/-

3 Laying out a park at the foot of the hill — Rs 3640/-

4 Improving the road leading to Bhandarabasti including the acquisition of houses — Rs 2280/-

5 Removing the present bath ghats reconstructing the same to the centre of the road — Rs 4000/-

6 Improvements to main road & footpaths etc — Rs 1030

The estimated cost of the above works is Rs 11,500 and the Dr adds that if the Sravanabelagola Mutt pays a sum of Rs 1000/- every year & the Govt give a grant and of Rs 1000/- annually the works could be executed in

Sir,

With reference to your letter No L 1025 dated 28th July 1937, calling for a report re the improvement works proposed to be undertaken at Sravanabelagola, I have the honor to state as follows -

2 As already reported in my letter of even No dated 3rd May 1937, the Municipal Council have resolved to complete the improvement works referred to in the enclosure to Development Secretary's letter No L 3807 dated 24th November 1936 in 5 years' and to contribute Rs 1000/- from their funds every year during that period They prayed that the balance of the cost might be met from state funds The President having submitted the estimate with a copy of the above resolution and suggested that some amount might be sanctioned from the Muzrai funds as the improvement of the town adds to its importance as a place of Jain Pilgrimage, he was requested to report whether he proposed a grant-in-aid from the General Muzrai Funds or the funds of the local Jain Mutt and in the latter case, to ascertain and intimate the views of the Swamigalu of the Sravanabelagola Mutt

3 Accordingly, the President consulted the Swamigalu and reported to this office, stating that the Swamigalu had agreed, in writing, to contribute a sum of Rs 500/- annually for taking up the improvement works in question As the Swamigalu had not pointed out the source in

Sir,

In continuation of my letter No C 786-34 dated 4th August 1937, re the improvements to be undertaken at Sravanabelagola, I have the honor to forward herewith correspondence ending with report No 3-36 dated 2nd August 1937, from the President, Sravanabelagola Municipal Council on the subject and to state as follows -

2 As already reported in my letter of 4th August 1937, the Municipal Council have resolved at their meeting, held on 10th March 1937, that they would contribute Rs 1000/- every year, out of their funds and that if Government kindly sanction a grant-in-aid of a like sum, annually these improvement works could be carried out in the course of 5 years The President while submitting a copy of this resolution, recommended that as Sravanabelagola is a place of pilgrimage to the Jains, that as the improvements would increase the importance of the place, a grant-in-aid might be sanctioned from the Muzrai Department Thereupon, he was requested to intimate whether he referred to the Jain Mutt or the General Muzrai Funds from which a grant-in-aid was required He was also requested to meet the Swamigalu of the Sravanabelagola Jain Mutt and ascertain whether he would contribute anything for these improvement works The President submitted the letter of the Swamigalu to the effect that he (Swamigalu) would pay Rs500/- annually for the improvement works, in addition to the contribution payable by the

25

Municipal Council and the Government On further correspondence, the President has submitted a second letter received from the Swamigalu to the effect that he would meet the sumof Rs 500/- in question out of the provision of Rs 1150-1-6 under "Reserve for repairs" in the sanctioned scale patti of the Mutt The President has also obtained the communications received from the Amildar, Chennarayapatna Taluk, to the effect that the Swavanabelagola Mutt holds a sum of Rs 52,500/- under investments

3 The financial condition of the Municipality not being quite satisfactory, it is not possible for the Municipal Council to spare a sum of Rs 1000/- out of their funds annually for these improvement works At best, they could spare about Rs 500/- This amount added to the amount promised by the Swamigalu, makes up Rs 1000/- The estimated cost of the improvement work is Rs 11,500/- If the Government kindly sanction a grant-in-aid of Rs 1000/- annually, it is possible to carry out all the improvement works suggested by the Sanitary Engineer, in the course of six years

4 I request you to be so good as to obtain the orders of Government, re the grant-in-aid referred to above, at an early date The plan received with Development Secretary's letter No L 3807 dated 24th November 1936, is herein enclosed for kind perusal

I have the honor to be,
Sir,

that this strip of land has been cleared and kept vacant As re the improvement of the old (Iswara) temple, the Amildar has reported that the devotees have collected the requisite materials and that they have been asked to signify their willingness to carry out the work as per revised estimate for Rs 2227/- for this purpose I have instructed the Amildar to push through this work and submit a final report The question of forming an extension was investigated and dropped, as there was no demand for house-sites

3 The question of carrying out other improvement works at Sravana-belagola is separately under correspondence (Vide my letter No C 788-34, dated 14-8-1937)

This is being separately worked up

I have the honor to be,

(ii) Providing curb stones and forming foot-paths in the town.

(iii) Laying out a park at the foot of the Hill.

(iv) Improving the road leading to Bhandarabasthi with foot-paths etc., including acquisition of houses.

(v) Removing the present hill-gate and re-constructing the same at the centre of the road with a width of 21 feet.

(vi) Improvements to the main road and foot-paths and providing curb stones on the north-west corner of the Kalyani.

2 It is reported that the execution of these improvement works would make the town appear neat and tidy and would be in keeping with the importance of this place as a place of pilgrimage

The

3. The Deputy Commissioner, Hassan District, who was consulted as to how the Sravanabelagola Municipal Council propose meeting the estimated cost of the scheme, has stated that the resources of the municipality, being very slender, they cannot contribute more than Rs.500/- every year out of the municipal funds towards these works. He has accordingly made the following suggestions -

(i) The entire programme to be carried out in stages and completed within a period of six years

(ii) The Municipal Council to contribute a sum of Rs.500/- every year towards these improvements.

(iii) The Local Jain Mutt to contribute a sum of Rs 500 annually as agreed to by them.

(iv) Sanction of a Government grant-in-aid of a sum of Rs.1000 every year out of the Town Improvement Grants.

The Deputy Commissioner, Hassan District, has also reported that the requisition of houses in the locality, where the park is proposed to be laid out will be taken up immediately, and the laying out of the park and the re-construction of the hill-gate will be taken up as the last items of work in this programme

4 In the circumstances stated above, Government are pleased to accept the recommendation of the Deputy Commissioner, Hassan District, and direct that the work connected with the scheme of Improvements to Sravanabelagola town be spread over a period of six years. Sanction is also accorded to a grant-in-aid of a sum of Rs 1000/- every year out of the provision made in the State Budget for the Improvement of towns, subject to the condition that the Sravanabelagola Municipal Council and the local Jain Mutt respectively contri-
